Some memories of my mother are: My Mother also was a Very Hard Working Person, and life Wasent easy for her. As we lived on the ranch in Wallsburg, She raised 10 Children with out electricity or water in the house all cooking and heating was done with wood burning stoves. We seldom had Coal to burn, there was the Cream Separator and the Milk buckets to wash each day and 3 meals to prepare. I am sure she was Very happy to leave the ranch life and move back to Provo. My folks sold there RANCH in Wallsburg 12 and Moved back to Provo. to 112 West 4 North

The following is a brief outline of my mother's life: My Mothers Father Was a Railroad man, and lived part of this (her) early life in a Railroad Car built for people to live in at different places along the track where they were repairing and rebuilding the Railroad tracks. She lived this way near Milford, Delta, Black Rock. Etc. Towns along the Union Pacific Tracks in Western Ut.

at the time she met my Father the family lived at approx 530 South 900 West Provo.

My Father Claimed he had a dream at which time he saw my Mother and when he met her face to face the first time he knew she was to be his wife (which he was told in his dream)

My Father and Mother were Married and 3 months after the birth of there 1st child, ALDEN, My Father left for his mission and my Mother lived with my Fathers folks, and I am sure this was a real Trial for all concerned and especially my mother.

MY FATHER

My father's name is JAMES WILLIAM BOYDEN

He was born 26 SEPT 1882 at PROVO, UTAH

His father's name is JAMES BOYDEN

His mother's name is MARY MERIDETH BOWLER

Some memories of my father: He was Called To

was married and my older brother

Alden was 3 months old when he

(my father) left for the mission field.

19 OCTOBER 1904, he went first to

ANAconda Montana, and for the

next two years served thru out the North

West Part of the U.S.A. and also in British

Columbia. Canada.

My father was always a very faith

ful church member, served as Bishop of

the Wallburg Ward and as Patriarch of the

UTAH STAKE. PROVO UTAH

He was born in Provo

UTAH he had 3 older sisters and 1 younger

brother the sisters were Polly, SARAH

and Elisabeth, the brother Thomas Alma

My father was very strong and a good worker

he worked hard all his life. He worked for

Mt. States Tel. & Tel. Co. (MT. Bell) He was away

from home most of the time so he quite that job

and worked for Wm. Rolance FRUIT CO. until

1915, then we moved to Wallburg, UTAH

on a RANCH and lived there until he retired

then he moved back to Provo and lived in

the family home at 112 West 400 North, that

is where he died.

He worked off and on for the

Pleasant Grove Canning Co. at 1300 West Center

Provo for a number of years after moving from

Wallburg. I am sure he lived a good clean

life, kept the word of wisdom and tried hard

to keep the other commandments of the Lord.

large funeral when he was buried. He is buried

burning in the fire place in the winter, we gave our daughter Carol a coach. also gave my sister Faye some wood for her fire place. just to burn for atmosphere.

It was just a 200 mile round trip. to Price and a 100 mile trip up in the mountains of East Heber. we obtained permits for the wood from the Forest Service.

We enjoy the fire place and use it a lot.

My Brother William (Bill) was killed on a snow-
mobile up at the head of Daniels Canyon in
Wasatch County, Utah he was riding his
snowmobile across the Hiway and was
struck by an Auto mobile and was killed.

We used to ride our snowmobiles from the
Hiway in Daniels Canyon and other places in
Strawberry Valley and go to the tops of the
mountains on both sides of the Valley. It was
a beautiful sight up there and you could ride
in any direction on pretty white undisturbed
snow, we also would ride in the mountains East-
of Heber City and ride over as far as
the Duchunge River, also up in Right and
Left hand fork of Hobbie Creek out of
Springville.

My Brother Glenn Lee (Jack) died from a
over exerted heart after a big winter storm.
It was caused by over exertion shoveling
snow after a big storm.

I was made financial Guardian of his
estate and of the 3 teenage girls we helped
(LaRella and 2) settle and divide their estate
and put their money on savings until they
reached 18.

days going with different friends after firewood.
We went up in the mountains East of Heber and brought
back several loads of Jack Pine and Aspen. then
we went up Nine mile Canyon East of Pricc also.
To the Pession Springs area South of Pricc and obtained

LENGTHEN YOUR STRIDE!

Orphaned teen acts on courage and faith, sets great example

Geraklike Young Mills of the Young Women office staff sees and hears of faithful Latter-day Saint girls from throughout the world. Her own rich heritage has given her a deeper appreciation for what young people can accomplish. She shares a story from her family history about her great-grandmother, Mary Graham.

A missionary came to Mary Graham's home in Scotland when she was about 14 years old and left a tract telling of the restoration of the gospel. Her father, lying on his deathbed, read the tract and said, "Mary, my girl, that is true. I believe that young man has come with the true gospel. Search out this gospel and embrace it."

Mary's mother had died some years before so, at her father's death, she was orphaned. She became a servant girl with a wealthy family named Allen. When they learned that she was investigating the Mormon Church

they angrily told her she was injuring their business by attending the meetings. People were beginning to think the family was sympathetic with the Mormon religion, which was quite unpopular in that country.

One dark and rainy night, the Allen family assembled and called Mary before them. The father bitterly said, "Mary, there is the door. You take your choice right now. Either our home and you give up Mormonism, or out of our home into the night."

She cried about it. Naturally she would like to stay, but she could not renounce the gospel because she knew it was true. The homeless girl walked out into the night with only a shilling in her pocket. She paid that money to a friend of her father, who rented her his hall in which the elders could preach the gospel.

Mary eventually found other

employment, married and had a family of 13 children, born in Scotland. In 1872, they came to Utah. When they arrived in Salt Lake City, the Allen family was there to welcome them and took them into their home for a banquet.

"You are the cause of our being members of the Church," they told her. When the young Mary had so courageously left their home in Scotland rather than give up the true faith, the Allen family concluded that her religion must be something extraordinary. They knew her as one of the sweetest, best and most beautiful girls of their acquaintance. Mr. Allen had said, "I cannot help but feel that there is something more to Mormonism than we understand; it cannot be just a man-made religion." He and his family had investigated, joined the Church and immigrated to Utah — all because a teen-age girl would not deny that the gospel was true.
